++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and mild.

This Evening and Tonight:
A widely cloudy evening and night, helping it to remain mild. The cloud becoming thick enough for the odd spot of drizzle by dawn, particularly across the mountains. Winds largely light, though with a moderate breeze along coasts. Minimum temperature 7 deg C (45 deg F).

Saturday:
A cloudy start with further drizzle. Brief clear intervals later, but cloud and rain arrive in the north around dusk. Breezy and mild by day but turning colder at night. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:
Feeling much colder and turning brighter on Sunday with showers in the west. Overnight frost possible in sheltered locations into Monday, but drier. Rather cloudy on Tuesday.
